The American Indian Experience

Exploring the Histories and Contemporary Cultures of the Native Peoples of America

The American Indian Experience was designed, developed, and indexed under the guidance of Lorie Roy, immediate past President of the American Library Association, and a team of American Indian librarians and scholars. This work meets the research and curriculum needs of students, teachers, librarians, patrons, and researchers. *The American Indian Experience* offers full-text access to more than 150 volumes of reference content, hundreds of primary documents, and thousands of images.

This in-depth resource for exploring American Indian history, culture, and politics, from prehistory to the present day, from the Inuit of the north to the Seminoles of Florida, offers an unparalleled collection of synthesizing and contextualizing materials. In addition to primary sources and teaching aids, these resources make *The American Indian Experience* an indispensable electronic library resource.

The site can be fully integrated into *The American Mosaic* family of products—allowing rich opportunities for comparative research—or purchased as a stand-alone product. This fully searchable, full-text database brings together reference and scholarly works from Greenwood, Praeger, Libraries Unlimited, Houghton Mifflin, and more, including:

- *Religion and Healing in Native America: Pathways for Renewal* (2008)
- *Encyclopedia of Native American Music* (2008)
- *Encyclopedia of Native American Artists* (2008)
- *Bureau of Indian Affairs: From Broken Treaties to Casinos* (2008)
- *Term Paper Resource Guide to American Indian History* (2008)
- *Family Life in Native America* (2007)
- *The Praeger Handbook of Contemporary Issues in Native America, 2 Volumes* (2007)
- *Native Peoples of North America, 2 Volumes* (2005)
- Book-length biographies of *Tecumseh* (2008), *Sitting Bull* (2007), *Sacagawea* (2008), *Geronimo*, *Louise Erdrich*, among other key figures.

FORTHCOMING
FALL 2008

- ❖ **Full-text content** from more than 150 volumes, a title-by-title value of over \$20,000
