

praegeer security international online

## In-Depth News and Analysis You'll Find Nowhere Else

### New Content on Crucial Issues:

- IMMIGRATION AND BORDER CONTROL
- PSYCHOLOGY OF TERROR
- DISASTER RESPONSE
- TRANSPORTATION SECURITY
- COUNTERINSURGENCY
- WEAPONS OF MASS DESTRUCTION
- ENERGY AND SECURITY

Updated weekly with commentary by advisory board members, expert authors, and researchers from Oxford Analytica, an international consulting firm drawing on senior faculty at Oxford and other major research institutions, *Praeger Security International Online* provides readers with in-depth analysis on security issues that threaten to destabilize our world. With a news feed from the *International Herald Tribune* and an ever-growing range of content from our global network of institutional partners, *PSIO* offers varied international perspectives and reflections from psychologists, diplomats, first responders, economists, journalists, civil servants, warfighters, legal experts, and more. With the experience and insight that this vast community of scholars and practitioners brings and a sophisticated librarian-designed specialty index that allows quick and easy access, *PSIO* is an invaluable resource for students, researchers, and anyone who seeks a deeper understanding of the complex issues that affect our future.

### A sophisticated interface promotes easy access to news, information, and analysis

*"Praeger Security International Online (PSIO) is a one-stop source for information on terrorism and security, covering regional security, humanitarian and peace operations, weapons of mass destruction, armed forces, intelligence, military history, defense and national security, and military affairs.... The Chronology feature is terrific.... PSIO covers an area of vital interest, and researchers are clamoring for more material on this subject.... The Bottom Line: Praeger Security International Online is recommended for comprehensive collections serving serious scholars in politics and government."*

—LIBRARY JOURNAL

*"Academic libraries that have or plan to have an international security-related curriculum will want to consider this service."*

—BOOKLIST

The screenshot shows the website's navigation menu with options like HOME, ADVANCED SEARCH, SUBJECT BROWSE, TITLES LIBRARY, CHRONOLOGY, and FEAT. The main content area includes a QUICK SEARCH box, a featured article titled 'The "Trusty House" on the North Korean side of Demilitarized Zone (DMZ) that separates north and South Korea', and a COMMENTARY section on 'Iran-Turkey-Israeli Kurdistan competition'. Callouts point to various features: an RSS feed, an integrated news feed from the International Herald Tribune, monthly commentaries, an annotated bibliography, and featured content.

Users have access to the complete text of **more than 500 titles** on security-related issues from Praeger, one of the most comprehensive collections on this subject in the world.

A comprehensive **Terrorism Chronology** lists and organizes terrorist incidents around the world from 1968 to the present, with background information going back over 75 years.

An **Annotated Bibliography** was assembled by a top scholar in the field.

A new **RSS Feed** lets users choose a browser-friendly display or raw XML format.

An integrated **News Feed** from the *International Herald Tribune* pulls the latest news directly into **PSIO**.

**Monthly Commentaries** from international scholars and experts give focused treatment to important events.

An archive of over **1,000 important documents** adds context and meaning to recent events.

**Featured Content** selects important resources from the site relevant to timely subjects.
